PREFERRED GROUP (Please CHECK at most two)

Group	Open to	General Function
Crowd Control (Marshal)	Employees and students	- Maintain order and direct people to designated evacuation areas or other safe areas during emergency drills or actual emergencies - Determine if a complete evacuation has been achieved
Logistics		- Responsible for general support services, including, but not limited to, distribution of emergency supplies, stockpiled food provisions, transportation support, and the like
Assurance (Observers)		- Determine compliance to emergency protocols and in documentation (photo, video, etc.) of events during emergency drills and actual emergencies
Assurance (Inspectors)		- Conduct periodic safety and post-emergency assessments based on established standards
Communications (Internal)	Employees	- Identify and manage a viable communication network to relay advisories and instructions relating to emergencies, from preparation to post-emergency activities
Communications (External)		- Manage all communication requirements for external entities, including but not limited to hospitals, government agencies, and the like - DOES NOT COVER communication to media and next-of-kin individuals
Search and Recon		- Locate victims in the emergency-affected areas for communication to rescue teams - Identify alternative evacuation areas during actual emergencies in the performance of their reconnaissance function
Technical Operations	Employees (with relevant experience)	- Provide technical support - This group consists of members requiring specialized training, both basic and advanced, such as fire-fighting, handling of hazardous materials (hazmat), hostage negotiations, and the like
Recovery		- Provide post-emergency trauma management
Medical		- Provide medical support - This group is open to all medical professionals, such as physicians, nurses, and the like, with relevant experience in emergency services.

DECLARATION

I understand that by submitting this form, I am volunteering to the DLSU SAVERS 111 on my own free will and volition. I understand the risks that occur with or result from the tasks that will be assigned to me and hold De La Salle University and its officers free from any form of liability and obligation. I fully agree to comply with the rules and procedures of DLSU SAVERS 111.

Signature over printed name / Date _____ / _____
