

The President's Report A.Y. 2016-2017

The President's Report A.Y. 2016-2017

ON

A preposition, which generally signals something positive:

- On as opposed to off, such as the start of something or flicking a switch to generate light
- On, to be engaged in something
- On, to mean having something as a target, aim, or focus
- On, or being in the course of a journey
- On, to indicate a continuation of a movement or action
- On, to say something is functioning

Message to the Lasallian Community

Br. Raymundo Suplido FSC, PHD

Dear Lasallians and friends,

Academic Year 2016-2017 marked the lowest ebb in De La Salle University's freshman enrolment, as a result of the K-12 implementation in the country. This period signaled the start of the lean years, which the University had been preparing for in previous years.

Yet through the collective efforts of our Lasallian community, the University was able to manage the full impact of the academic shift as we set our plans into motion. During the period, DLSU continued to pursue its targets in the areas of academics, research, and community engagement, as well as in governance and capacity-building through its infrastructure, personnel development, and academic network.

We took on the challenges of the K-12 impact. With our program ConnectEd, we continued to implement the adjustments in faculty load, such as opening avenues for our faculty to teach or train in partner schools and to conduct research to complement their teaching load.

Likewise, we pushed on the University's continuing journey to excellence with our institutional accreditation and assessment. In the international front, we marked another milestone as we initiated our ASEAN University Network-Quality Assurance (AUN-QA) institutional accreditation and became the first academic institution among ASEAN members to become certified as aregional-quality university.

Following the renewal of DLSU's five-year autonomy status by the Commission on Higher Education (CHED) in April 2016, we likewise maintained the "Center of Excellence" status for our 14 programs and the "Center of Development" status for 5 programs during AY 2016-2017.

Five programs in the Gokongwei College of Engineering–Chemical Engineering, Civil Engineering, Electronics Engineering, Industrial Engineering, and Mechanical Engineering–earned PAASCU Level 4 status in the same period.

For the third straight year, DLSU was the country's most productive research institution based on publications indexed by Scopus. In another development, the 2017 Scimago Institutions Rankings (SIR) included DLSU in the list of research and development institutes, making us the only Philippine private university in the list.

Our University also ranked first among all Philippine HEIs in terms of citations per faculty member based on the 2018 QS World University Rankings.

To help improve the social conditions at the local level, our University launched in August 2016 the UN Sustainable Development Goals (SDG) Localization Project. This project aims to pursue global goals in the areas of education, health services, environmental sustainability, and economic development. It is a flagship program under our community engagement thrust.

At the same time, we continued to promote innovation, technology, and entrepreneurship through our Animo Labs Foundation.

To connect our Lasallian community with the great minds of today, we welcomed international figures and outstanding individuals, including two Nobel Laureates–Mario Vargas Llosa, who received the degree Doctor of Literature, honoris causa, and Prof. Eric Maskin, who received the degree Doctor of Economic Sciences, honoris causa. Science expert Prof. Emeritus Dr. Hideaki Kasai of Osaka University was likewise conferred the honorary degree Doctor of Science.

Among the key industry players at the local scene, we also honored McDonald's Philippines Founder George Tan Yang, who received the honorary degree Doctor of Humanities.

During the academic year, faculty and students also contributed to our long list of achievements—from academics and research, to notable performance in licensure examinations, to noteworthy community projects, to inspiring achievements in athletics and the performing arts.

Leading the list of our achievers were University Fellow Dr. Raymond Tan, who was inducted as member of the National Academy of Science and Technology, and University Fellow Dr. Esperanza Cabrera, who was named 2017 Metrobank Outstanding Filipino in the field of education.

The period saw the ongoing construction or the completion of our research centers and sports facilities. The DLSU Rufino Campus in Bonifacio Global City became the new home of our College of Law.

Guided by our mission and clear about targets, we pressed on our Lasallian journey despite the odds. Academic Year 2016-2017 reminded us that even through lean times, our Lasallian animo would keep us strong as a leading resource that pursues genuine change for God and country.

K-12

K-12

CONNECTED PROGRAM

De La Salle University partnered with fourteen academic institutions in view of the implementation of K- 12.

These high schools include Chiang Kai Shek College, Elizabeth Seton School, Grace Christian College, Jubilee Christian Academy, Makati Hope Christian School, Notre Dame of Greater Manila, Philippine Cultural College, St. Jude Catholic School, St. Peter the Apostle School, St. Scholastica's College, St. Stephen's High School, Hope Christian High School, Devine Light Academy, MGC New Life Christian Academy, and Philippine Science High School.

Under this partnership, DLSU faculty shall be deployed in the partner school to teach some classes; mentor senior high school teachers, so they can teach subjects at the requisite DLSU standards; and certify subjects that are equivalent to and meet specified DLSU courses.

A memorandum of agreement was signed to formalize the partnership under the University's Connect ED program.

Graduates of partner schools who passed DLSU college entrance exam and enter college at DLSU shall be exempted by the University from taking the requisite placement examination and bridging courses, provided the said graduate meets the minimum grade requirement for the corresponding course.

Connect ED is a De La Salle University initiative which seeks to maximize the benefits provided by the shift to the K12 system by partnering with select senior high school institutions to ensure that curricula are harmonized, the quality of instruction is compatible with university standards, and graduates of partner schools will be prepared for the requirements and challenges of higher education.

CHED K-12 TRANSITION PROGRAM

As part of its K-12 Transition Program, the Commission on Higher Education (CHED) offers the Institutional Development and Innovation Grants (IDIG) that are awarded to higher education institutions (HEIs) to fund initiatives that strengthen their qualifications and capacity to respond and remain relevant to local, regional, national, and global priorities. Under this program, DLSU has been awarded the following grant in AY2016-17:

Project Title: Enhancing the International Competitiveness of De La Salle University

Description: The project is a multi-faceted initiative that is intended to enhance the international standing of DLSU during the K-12 transition period, specifically as measured by ranking methodologies used by QS and THE. Such rankings have implications on the future employability and mobility of DLSU graduates as ASEAN develops into more integrated economic region. The proposed project consists of the following components:

- Networking with industry and academic partners in the Philippines and overseas
- Development of innovative academic programs at the undergraduate and postgraduate levels
- Increase in research publication productivity and impact
- Development of university middle management

Amount: Php 12,000,000.00

DLSU was also able to secure a grant under the CHED-British Council Joint Development of Niche Programmes through Philippine-United Kingdom Linkages. The programme aims to provide capacity and funding support for Philippine higher education institutions to establish international connectivity and engagement through developing transnational education (TNE) partnerships with HEIs in the United Kingdom. Under this program, DLSU has been awarded the following grant:

Project Title: Road map for the Development of Postgraduate-level Dual-Degree Programmes in Three Niche Areas: Digital Innovation and Creativity, Agriculture/Food Security, Climate Change

DLSU FACULTY AVAILMENT OF CHED K-12 TRANSITION SCHOLARSHIP

As part of the CHED K-12 Transition Program, faculty members can avail of scholarships offered by CHED through its K-12 Transition Program. One full-time faculty member of the DLSU Integrated School-Senior High School (DLSU IS-SHS) has been accepted as a CHED scholar. DLSU IS-SHS has 21 faculty members (19 FT, 2 PT).

INSTITUTIONAL ACHIEVEMENTS

Pioneering programs and initiatives of De La Salle University were recognized by various award-giving bodies and institutions in Academic Year 2016-2017.

Like a **lighted lamp placed on a lampost**—not in a cellar nor under a basket—DLSU sought to continue its mission as a leading resource through research, teaching, and community engagement.

The University promoted collaboration among individuals, organizations, and communities from both the local and international spheres, underscoring a forward-looking, sustainable, and multi-disciplinary approach to knowledge generation.

ASEAN University Network

It also marked a milestone by being the first university in the ASEAN to successfully undertake the ASEAN University Network-Quality Assessment at the institutional level.

DLSU NOW CERTIFIED AS A REGIONAL-QUALITY UNIVERSITY

AUN-QA INSTITUTIONAL ACCREDITATION

RATING:

Strategic QA – 5

Systematic QA – 5

Functional QA – 5

Results – 4

For an institution to receive the AUN-QA certificate, a rating of at least 4 must be attained for all areas

PAASCU LEVEL 4 STATUS

GOLD ANVIL AWARD FOR INSTITUTIONAL MAGAZINE

INVOLVED, an institiuional magazine featuring some of DLSU's outstanding faculty community engagement iniatives that have made impact on various communities and partners, brought a Gold Anvil Award for the University.

GOLDEN KUBETA AWARD

The first floor males' comfort room of the St. Miguel Hall won second place in the Golden Kubeta Awards held at the SM Mall of Asia Music Hall on January 27, 2017. The event consisted of 12 finalists, and the overall winner was the Petron E. Rodriguez comfort room.

Maynilad, in collaboration with WhenInManila.com, launched the Golden Kubeta Awards in November 2016 as an avenue to "promote hygiene and sanitation best practices". Since then, more than 720,000 social media users were reached and 101 comfort room entries were received.

ACADEMICS

TEACH MINDS TOUCH HEARTS TRANSFROM LIVES

Together on a journey to fulfilling the Lasallian Mission “to touch hearts, teach minds, and transform lives,” faculty and students showed their grit, passion, and dedication through their works and performances. Whether writing a paper, engaging in training programs, attending conferences, or joining academic and non-academic activities, they excelled and inspired not only their fellow Lasallians but also the rest of the country.

RESEARCH

Output of Scopus Indexed Publications of DLSU in Comparison with UP-D, UP-LB, UP-M, ADMU and UST as of August 2017

For the fourth consecutive year, De La Salle University remained as the most productive research institution in the Philippines based on publications indexed in Scopus. DLSU breached the 400 mark in 2016 with 401 publications listed in the database as of the end of the first quarter of 2017. This figure represents a quadrupling of research output since 2010.

The University continued to focus on five strategic research areas:

1) Food, Nutrition and Health; 2) Sustainability, the Environment, and Energy; 3) Women, Children and Family; 4) Living Culture and Contemporary Societies; and 5) Learners and Learning Innovations.

RESEARCH HIGHLIGHTS FOR AY 2016-2017

1. DLSU is one of four Philippine research institutions to be listed in the 2017 Scimago Institution Rankings (SIR); we are ranked 3rd, after IRRI and UP-Diliman, and ahead of UP-Manila. The rankings are based on research, innovation andsocietal impact, using metrics culled from web-based evidence.

2. Over the 5-year period from 2013-2017, DLSU has met the minimum research publications eligibility requirement for inclusion in the Times Higher Education (THE) University Rankings in 2019. To date, UP (as a system) is the only Philippine institution listed. However, there are additional requirements that need to be attended to outside of the research output threshold.

3. DLSU has been overtaken by UP-Diliman in research output in the first eight months of 2017. This reversal is the result of a dramatic increase in output of UP-Diliman, as DLSU has maintained a level of research output comparable to that of the same period in 2016.

4. AnimoLabs was incorporated in January 2017 (as DLSU AnimoLabs Foundation Inc.) with initial partial support amounting to PhP8.36M from a DOST PCIEERD's Technology Business Incubator (TBI) program. AnimoLabs is the first private university TBI to be funded by DOST.

5. The number of 2016 DLSU publications indexed the Scopus database exceeded 400, which is the highest single-year output on record to date for any Philippine HEI.

The following faculty members received major research awards within the academic year:

DR. RAYMOND TAN

Chemical Engineering Department

- Inducted as member of the National Academy of Science and Technology (NAST)
- Koh Lectureship, Philippine American Academy of Science and Engineering (PAASE)
- Umali Medal, Department of Science and Technology (DOST)

DR. KRISTA DANIELLE YU

School of Economics

- NAST Outstanding Young Scientist

DR. RAFAEL ESPIRITU

Chemistry Department

- 2nd Place, NAST Talent Search for Young Scientists

DR. ARGEL BANDALA

Electronics & Communications Engineering Department

- 3rd Place, NAST Talent Search for Young Scientists

DR. KATHLEEN AVISO

Chemical Engineering Department

- Achievement Award, National Research Council of the Philippines (NRCP)

SOCIAL ENGAGEMENT

Taking on the challenge to make Lasallian education relevant and responsive to the needs of the people, especially the last, the least, and the lost in society, DLSU sought to further expand the reach of its Service-Learning as well as its faith formation program.

Faculty and students under different organizations and units at DLSU engaged in various programs and initiatives that carried on the educational work of St. John Baptist de La Salle–teaching minds, touching hearts, and transforming lives.

Also during the academic year, DLSU launched the Balay Program to promote communion in mission and fellowship among the different members of the community. The Balay Program involves the creation of different Balay groupings composed of teaching and non-teaching personnel. The program encourages members of each Balay to participate in all team-building activities and gatherings, and to engage in healthy competitions while supporting and encouraging each other.

COMMUNION IN MISSION

BALAY PROGRAM

In our effort to promote communion in mission and fellowship among teaching and non-teaching personnel, De La Salle University, through the Office of the Vice President for Lasallian Mission introduced the Balay Program, a flagship community building program.

Under this initiative, full-time teaching faculty, ASFs, APSPs, CAP, part-time faculty who have taught at least three trimesters (equivalent to one year), and direct-hired personnel who have at least one year of contract will be assigned to different Balays or Houses named after Lasallian saints (Balay Benilde, Balay Miguel, Balay Mutien, and Balay Solomon). Members of the Balays are encouraged to cooperate with each other and promote healthy competition with other Balays in team-building activities and
university programs.

Through the Balay Program, the community will have a year-round venue to foster camaraderie and enhance relationships among our members, in pursuit of our mission to strengthen our identity as Lasallians.

	HOLY SPIRIT MASS	Once a year	900	700
	SIMBANG GABI	Once a year	Every Mass: 600	450
	LASALLIAN SAINTS AND MEMORIALS	10	Every Mass: 60	30-40
	PILGRIMAGE	1	70	69
	LIVING ROSARY	2	200	150

GENERAL CLASSIFICATION	FORMATION MODULE OR ACTIVITY	TOTAL NUMBER OF RUNS / SECTIONS	TOTAL NUMBER OF ENROLLED/ EXPECTED PARTICIPANTS	TOTAL NUMBER OF ACTUAL ATTENDEES
INTERFAITH, ECUMENICAL, PEACE, FORMATION FOR ALL	TAIZE PRAYER SERVICE	3	-	100
	CROSS-LED ACTIVITIES	79	-	1555
	CHRISTIAN UNITY WEEK	2	300	250
	INTERFAITH (IFTAR DINNER, CHINESE NEW YEAR, DIALOGUE)	3	500	340
	ALTERNATIVES TO VIOLENCE PROJECT (AVP)	3	200	75
ACADEMIC AND SERVICE STAFF FORMATION	RETREATS AND SPIRITUAL DIRECTION FOR FACULTY & STAFF	10	95	113
	FORMATION FOR CAP AND APSP (in partnership with OPM)	12	268	248
	FORMATION FOR FACULTY (in partnership with VCA's ALDP)	4	47	47
EXTERNAL SERVICE PERSONNEL FORMATION	ADVENT RECOLLECTION	1	50	40

For AY 2016-2017, there was a 46% increase in the number of units with faith formation programs (from 24 to 35 units). Lasallian formation programs were continually offered to administrators, faculty, co-academic personnel, and administrative and professional service personnel

SOCIAL ENGAGEMENT

SOCIAL ENGAGEMENT

37%

(41/110) of DLSU Units with at least 1 Social Engagement Project

15%

(16/110) of DLSU Units with Sustainable Social Engagement Projects

42.35%

(36/85) of Student Organizations with at least 1 Social Engagement Project

SERVICE LEARNING

88%

(152/172) of all UG Programs have Service Learning Components

7%

(9/126) of all GS Programs have Service Learning Components

DLSU became a regular member of the Service Learning Asia Network (SLAN) during the 6th Asia Pacific Regional Conference on Service Learning (APRSL).

In AY 2016-17, De La Salle University introduced a flagship social engagement initiative that uses as its development platform the United Nations Sustainable Development Goals (SDG). The DLSU SDG Localization Project aims to assist local government units in the localization of 11 out of 17 goals of the UN. The project will be piloted in seven barangays in District 5 of Manila City.

As a pioneer in SDG localization, DLSU seeks to influence other colleges and universities in pursuing socially relevant and impact-driven projects. The university's social action arm, Center for Social Concern and Action (COSCA), identified four key components of the program, namely: Lasallian Accessible, Relevant, and Alternative Learning (L-ARAL) for education; Lasallian Health Education, Health Services, and Training Services (L-HEARTS) for health; Lasallian Environmental Sustainability and Governance (L-EnviSaGe) for the environment; and Lasallian Social Enterprise for Economic Development (L-SEED) for business and economy.

LEVERIZA ESTERO REHABILITATION

The Center for Social Action (COSCA) organized Rehabilitation Councils for Estero Fort San Antonio de Abad and Estero Maytubig. The university also joined the Manila Bay Sunset Partnership Program Inc., a campaign to restore the scenic sunset at Manila bay through conservation and clean-up activities.

ASIAENGAGE 2016

DLSU through COSCA co-organized the 3rd Asia Engage Regional Conference titled “Universities in an Integrating Regional Community: Engagement with Government, Industries and Civil Societies”. The conference was held in Manila on November 21, 2016.

ASEAN YOUTH VOLUNTEER PROGRAM 2016

De La Salle University through the Center for Social Concern and Action (COSCA) partnered with the Universiti Kebangsaan Malaysia (National University of Malaysia), the University of the Philippines and the Ateneo de Manila University for the ASEAN Youth Volunteer Program (AYVP) 2016.

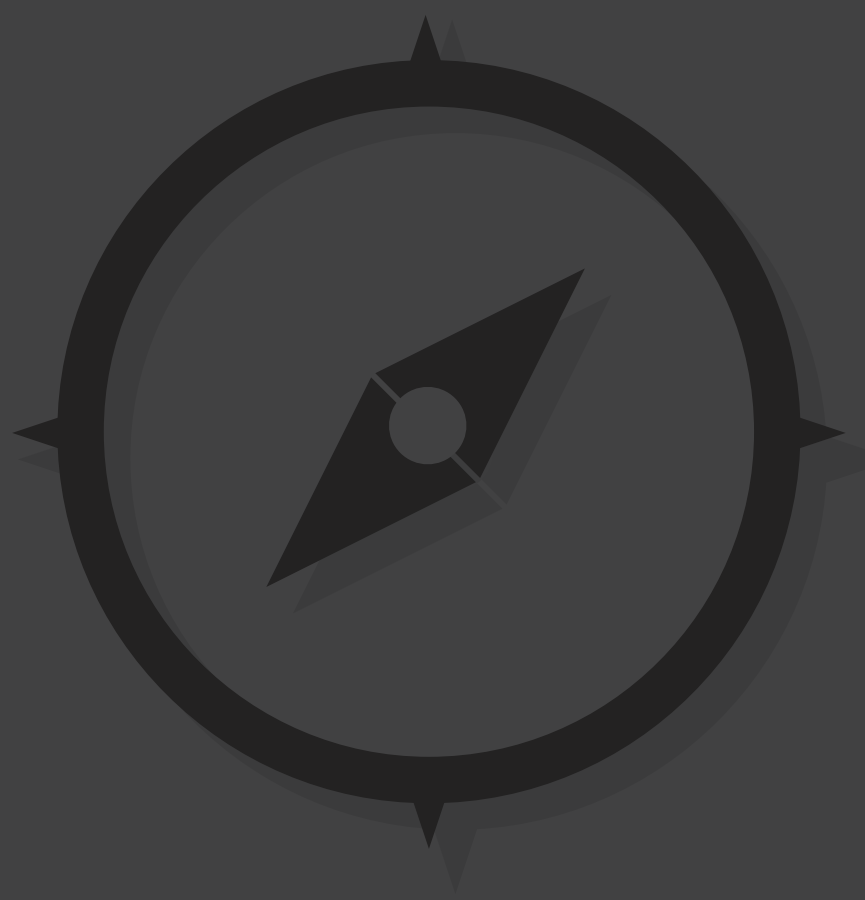

With the theme, “The Development of ASEAN Youth DRR-Leaders through Volunteerism and Community Engagement,” 50 ASEAN volunteers or AYVP DRR-Leaders embarked on a 4 week knowledge-driven, volunteerism journey in Metro Manila from August 1 to 26, 2016.

UNIVERSITY MOBILITY IN ASIA AND THE PACIFIC (UMAP) DISCOVERY CAMP 2016

The Center for Social Concern and Action (COSCA), Culture and Arts Office (CAO), Campus Sustainability Office (CSO) and the External Relations and Internationalization Office (ERIO) hosted participants of the University Mobility in Asia and the Pacific's (UMAP) Discovery Camp 2016 at De La Salle University from July 31 - August 2, 2016.

Students from various universities in Asia and the Pacific took part in the DLSU leg of the camp which focused on Building Environmental and Cultural Awareness towards Climate Resiliency.

GOVERNANCE

GOVERNANCE

As part of the University's institutional consultation process, several town hall meetings and skip-level consultations were conducted in AY 2016-17.

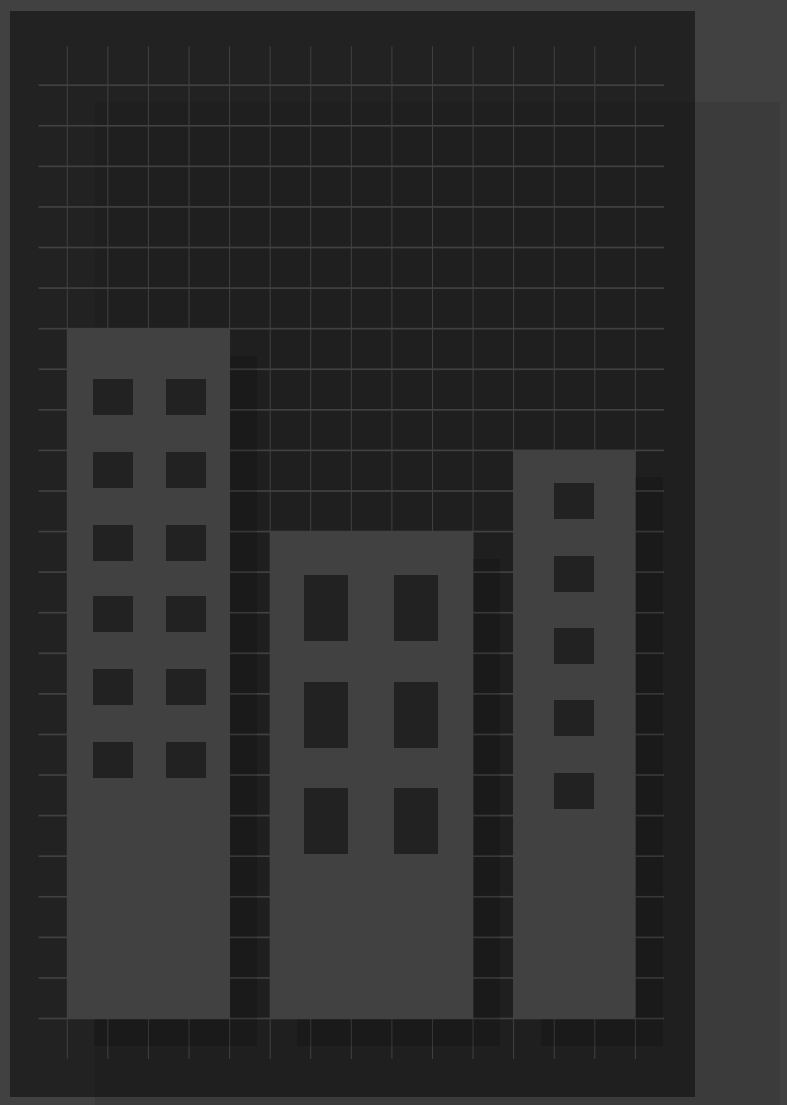

CONSULTATION MEETING	VENUE/DATE
Search for Chancellor Consultation	Multipurpose Hall, 4/F HSSH May 30, 2017
Town Meeting on Tuition Fee Increase	Central Plaza March 16, 2017
Town Hall Meeting on the Guidelines of Compressed Workweek Schedule	Multipurpose Hall, 4/F HSSH March 14, 2017
Town Hall on Proposed Set of Guidelines on Authorship	EDC, 13/F HSSH August 4, 2017
Skip-Level Discussions: COS and GCOE (morning) CLA and SOE (afternoon)	Conference Rm. 1, 14/F HSSH December 15, 2016
Skip-Level Discussions: BAGCED, CCS, RVRCOB	Conference Rm. 1, 14/F HSSH December 16, 2016

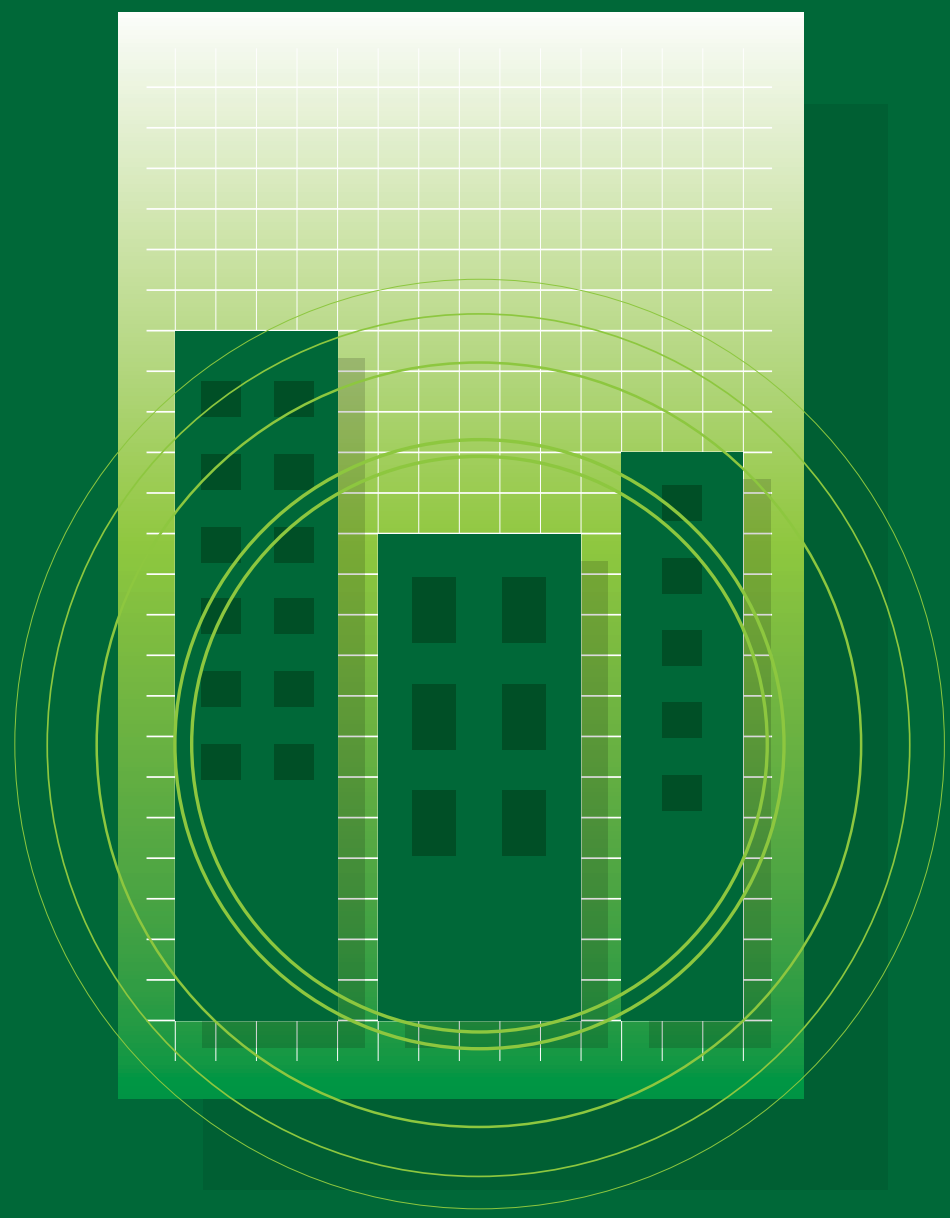

DIGITAL POLICY REPOSITORY

The Digital Policy Repository (DPR) Project was established as a result of a University-wide communication assessment conducted during AY 2013-2104 (Phase 1) and the assessment's validation in 2017 (Phase 2). The DPR embarked on a trial balloon to: come up with working definitions for the following terms: policy, procedure, guidelines, and standards; propose a policy framework that would guide the University in drafting future policies; propose a policy template containing key information about a particular policy that can guide the University in drafting future policies, and in determining which among the existing 'policy documents' are policies, guidelines; identify the individuals or body/ies that formulate and approve policies in the University; identify possible gaps and issues (i.e., conflicting policies, ambiguous policies, policy documents that are actually mere guidelines) relative to existing policies in the University; present a proof of concept of the DPR Trial Balloon Project using the DSpace software platform; and offer recommendations for improving policy writing, documentation and cross-referencing, storage, retrieval, and
access.

PHYSICAL ASSET INVENTORY MANAGEMENT

To ensure that the University's assets are used in the most efficient manner, DLSU revisited its physical asset inventory management system. The Physical Asset Inventory Management project closely examined two components in the University's asset management system: asset accountability and asset inventory. The project aims to harmonize the systems and practices of the Accounting and Inventory Management Office.

INFRASTRUCTURE DEVELOPMENT

On a par with the top-of-the-line facilities of universities in the region, DLSU continued the infrastructure development on its campuses in Manila and Laguna, to support research activities as well as other academic and non-academic endeavors. IT infrastructure was also strengthened to support learning and its operations, systems, and processes.

DLSU RUFINO CAMPUS

BONIFACIO GLOBAL CITY

Houses the DLSU College of Law and the Ramon V. del Rosario College of Business graduate and continuing education programs

DR. GEORGE S.K. TY ADVANCED INSTRUMENTATION BUILDING
DLSU LAGUNA

Houses research laboratories of Biology, Chemistry, and Physics, the Center for Natural Sciences and Environmental Research, College of Science research groups, and PEZA locators.

RICHARD L. LEE ENGINEERING AND TECHNOLOGY BLOCK
DLSU LAGUNA

Houses facilities for collaborating researchers from the departments of Biology, Electronics and Communications Engineering, Mechanical Engineering, Physics as well as from the College of Computer Studies and the Center for Natural Sciences and Environmental Research; Biomedical Engineering and Sports Science Research Facility; and PEZA locators

JOHN L. GOKONGWEI JR. INNOVATION CENTER
DLSU LAGUNA

Houses Ubisoft Philippines studio

RUBBERIZED OVAL TRACK
DLSU LAGUNA

ROAD NETWORK
DLSU LAGUNA

PHYSICAL FACILITIES

ARCHITECTURAL AND CIVIL/SANITARY PROJECTS

COUNT	PROJECT TITLE	PROJECT COST (PHP)	REMARKS
1.	Proposed renovation of Library at MRR, STC	Php 2,100,000.00	Completed – Nov 20, 2017
2.	Renovation of Chemistry Lab at SJ-510 & 511	Php 1,338,370.00	Completed – Aug 13, 2017

MECHANICAL AND ELECTRICAL PROJECTS

COUNT	PROJECT TITLE	PROJECT COST (PHP)	REMARKS
	A. ELECTRICAL WORKS		
1.	Replacement of 2000AT 3P ATS power breaker with Mechanical interlock at E. Yuchengco Hall	980,090.50	Completed – June 12, 2017
2.	Supply and installation of capacitor bank for Faculty Center	288,782.85	Completed – June 12, 2017
3.	Replacement of lights at Teresa Yuchengco Auditorium (TYA) – 50 pcs of 3W warm white, 250 pcs of 5W warm white, 41 pcs of 3W LED bulb	101,237.00	Completed – June 17, 2017
4.	Replacement of main electrical feeder line for SJ and William Hall	1,232,051.79	Completed – July 02, 2017
5.	Provision of power supply for equipment at Mechanical Engineering Laboratories at St. Miguel and Velasco Hall	150,000.00	Completed – July 15, 2017
6.	Upgrading of panel board at William Hall	773,696.00	Completed – July 15, 2017
7.	Acquisition and installation of new lamp post at Marian Quadrangle and Amphitheatre, Bloemen Hall, Velasco Hall Study area, William Hall	143,000.00	Completed – Aug. 12, 2017
8.	Replacement of floodlights on hallways – 15 pcs of 100W LED floodlights daylight outdoor	78,000.00	Completed – Aug. 12, 2017
9.	Upgrading of Feeder line of Br. John Hall	273,912.80	Completed – waiting for tapping of Meralco
	B. CENTRALIZED AIR-CONDITIONING UNITS (CHILLERS/COOLING TOWERS)		
1.	Change oil & 1 pc oil filter and supply & installation of 1 pc suction temperature sensor for Chiller No. 1 at HSSH	78,971.20	Completed – June 02, 2017

2.	System leak repair, overhauling and refrigerant charging for Chiller no. 2 at HSSH	2,054,505.60	Completed – June 05, 2017
3.	Change oil and filter base for chiller no. 1 at E. Yuchengco Hall	50,131.20	Completed – June 20, 2017
4.	Supply and installation of motor compressor for Mitsubishi Electric City Multi ACU model PUHY-P250YHA.TH unit 7-2 at HSSH 7th Flr. Server room	196,100.00	Completed – June 21, 2017
5.	Supply and charging of 1 drum refrigerant R-123 for Chiller no. 2 at Henry Sy Sr. Hall	170,195.20	Completed – Aug. 09, 2017
	C. ELEVATORS AND ESCALATORS – REPAIRS AND MAINTENANCE		
1.	Replacement of push button (at 7th flr) and external fan for hoisting motor of service elevator at E. Yuchengco Hall	62,664.00	Completed – May 15, 2017
2.	Supply and installation of floor level indicator and NSG battery for Service elevator at E. Yuchengco Hall	83,636.00	Completed – May 15, 2017
3.	Supply and installation of transmission cable and crossflow fan for passenger elevator 1 at E. Yuchengco Hall	57,540.00	Completed – June 19, 2017
4.	Supply and replacement of transmission cables and 6th floor landing operating panel for passenger elevator 3 at E. Yuchengco Hall	78,428.00	Completed – July 18, 2017
5.	Acquisition of 20 pcs escalator step combs and 16 pcs guide rollers for escalator handrails at HSSH	152,320.00	Delivered – July 2017
	D. GENERATOR SETS – REPAIRS AND MAINTENANCE		
1.	Installation of Fuel Separetor and cleaning of Daytank of generator set at ERSC and Leveriza genset A&B	71,375.00	Completed – May 06, 2017
	E. CCTV AND RADIO COMMUNICATIONS CONCERNS		
1.	Supply and installation of Radio Communication System	1,720,264.00	90% Completed; NTC permit on process

F. DRINKING FOUNTAINS			
1.	Acquisition of inline filters and pipes for 85 units of water coolers and water purifiers in campus	116,522.56	Delivered – Aug 03, 2017 Replacement completed – Aug. 19, 2017

IT EXPENDITURE

TYPE	AMOUNT
Hardware	50,599,208.97
Software	6,903,572.25
Network	1,149,928.06
Maintenance	5,642,001.01
Computer Supplies	6,233,130.38
Internet	14,865,735.96
Others (Please specify)	
TOTAL	85,393,576.63

IT DEVELOPMENT

1. Deployment of newly acquired 700 desktop units in the Computer Laboratories
2. Redeployment of 592 units from the Computer Laboratories to the Offices
3. Increased internet bandwidth of DLSU-Manila by 300Mbps to an aggregate of 1.5 Gbps
4. Activation of Internet:

   STC - 200Mbps thru Globe Telecom & Converged ICT

   BGC - 10Mbps thru PLDT
5. Increased on premise storage capacity by 80TB
6. Upgraded the two (2) main host servers
7. Upgraded one-third of the classroom TELEs (thin clients and projectors), part of the 3-year refresh cycle.
8. Upgraded Sakai (learning management system) from version 9.0 to 11.0 and Supported the deployment of a second learning management system, Canvas, for the College of Computer Studies.
